About Us

VetMount Solutions LLC is an SDVOSB specializing in Interior Finish Outs, Construction Management, and Facility Support. Headquartered in San Antonio, we provide engineering-led mobilization for punch-list items and facility modernizations across the Sun Belt (TX, GA, FL).

Detailed Expertise

We bridge technical requirements and field execution, providing disciplined interior finish-outs and rapid punch-list close-outs for federal and municipal partners.

Past Performance

- **Sport Clips (GA):** PM and technical mobilization for regional facility finish-out.
- **Fisher House Foundation:** Interior finish-out and facility support services for residential medical housing.
- **Capital Growth Redevelopment (GA):** PGM and construction oversight for 30+ residential disaster recovery and hazard mitigation projects.

Core Competencies

- **Interior Finish-Outs:** Framing, drywall, acoustic ceilings, and precision painting.
- **Punch-List Resolution:** Rapid close-out of final project items and hardware installs.
- **Construction Management:** Engineering-led site oversight and subcontractor coordination.
- **Facility Management:** Proactive building support and operational maintenance.
- **Technical Integration:** Strategic planning and installation of professional AV systems.

Differentiators

- Ownership maintains TS/SCI w/Polygraph
- 30+ Years Federal Construction Expertise
- Strategic hubs in TX, GA, and FL
- Specialized Close-Out Focus: Priority on interior punch-lists and hardware to expedite project final payments.
